

Hyatt Place Austin, Texas

The 18-story, 253,000 square foot hotel, features 296 guestrooms. The Hyatt Place Austin Downtown is located in the heart of Austin, near the convention center and the Entertainment District.

The basement and first level of the hotel consists of the lobby, lounge, dining areas, meeting space and hotel back of house functions. The next four levels is a parking garage. On level six there is a pool, fitness center and guest rooms. The above 11 levels are all guest rooms. All the levels above grade are constructed of post-tensioned flat slabs.
