

Hatfield Hall
Rose Hulman Institute of Technology
Terre Haute, IN

Building Square Footage: 49,340
Project Completion: Fall 2002

Hatfield Hall will house a 600 seat auditorium, alumni hall and offices.

The 600 seat auditorium will have main floor and balcony seating, while the alumni hall features a two story vaulted ceiling capped with a skylight.

The auditorium is a structural steel frame with CMU walls. The cylindrical alumni center is constructed of load bearing masonry.
